Re: Todd C. Bank v. NFL Properties LLC
Case 1:25-cv-03981-CM

Dear Judge McMahon:

I, the plaintiff in the above-referenced matter, respectfully request: (i) permission to respond to the pre-motion letter (Doc. 10) that Defendant filed yesterday prior to the reassignment of the case from Judge Carter; or (ii) that the Court strike the letter from the docket. I make this request because: (i) the letter is on the record and, if it were to remain so, I think I should have the opportunity to put my response on the record; and (ii) this Court's Individual Practices and Procedures do not permit pre-motion letters, and, naturally, do not permit responses to them (given that the case was still assigned to Judge Carter when Defendant submitted its letter, I am, of course, not claiming that the letter was improperly filed; I only wish to address its contents).

Thank you for your consideration.

Sincerely,

s/ Todd C. Bank
